WORLD'S CHAMPS BACK TO LEAGUE LEADERSHIP

Oust Dodgers by 1-0 Score. White Yankees and Cleveland Battle for Top in American.

NEW YORK, June 13.—Cincinnati ousted Brooklyn from the National League leadership today while the New York-American overwhelmed Cleveland and brought about a virtual tie in that league.

With the two leading teams in each league fighting each other, the St. Louis Nationals boom up as a rival to Cincinnati and Brooklyn. The American League leaders, however, enjoy a good lead and are going at a good gait.

Cincinnati was far from world series form in the New York series, but showed to better advantage against Brooklyn. Brooklyn is averaging only about two runs a game since returning to its home grounds, while the pitchers are proving ineffective against the Western visitors. St. Louis, in the midst of its first winning streak, is meeting the opposition in the East.

The Cardinals have won eleven of their last fourteen games. Chicago dropped from the top of the league to fourth place in two weeks, winning yesterday its first victory in eleven games. Boston and Pittsburgh showed much improvement over the previous week. The exchange of shortstops by New York and Philadelphia apparently gave new life to both teams as the Quakers had their first winning week in a month and the Giants began to play better.

In the American League, Cleveland and New York seemingly have little fear at present from the other teams. Good pitching aided the Indians last week, but today the Yankees pounded their pitchers for eighteen hits and fourteen runs. New York averaged seven runs a game in the last twenty-four contests, of which it won twenty.

Boston ended its losing streak when it went West last week, taking three games out of four from Chicago by good batting and steady pitching. St. Louis found the Red Sox twirlers under protest by the visitors, and won the session began.
